NEWSLETTER

Hong Kong Society of Robotics and Automation

CLNLP 2024

2024 International Conference on Computational Linguistics and Natural Language Processing

CLNLP 2024

GENERAL CHAIRS

Tao Zhou
North Minzu University, China

Wenxing Bao
North Minzu University, China

Junyu Dong
Ocean University of China, China

CALL FOR PAPER

- Computational Social Science and Cultural Analytics
- Natural Language Generation
- Dialogue and Interactive Systems
- Neuro-computational Models of Language Processing
- Discourse and Pragmatics
- NLP Applications
- Information Extraction
- Phonology, Morphology and Word Segmentation
- Information Retrieval and Text Mining
- Question Answering
- Resources and Evaluation
- Language Grounding to Vision, Robotics, and Beyond
- Semantics: Lexical
- Large-scale Grammars of Natural Languages

SUBMISSION

https://cmt3.research.microsoft.com/User/Login?ReturnUrl=%2FCLNLP2024

KEY DATES
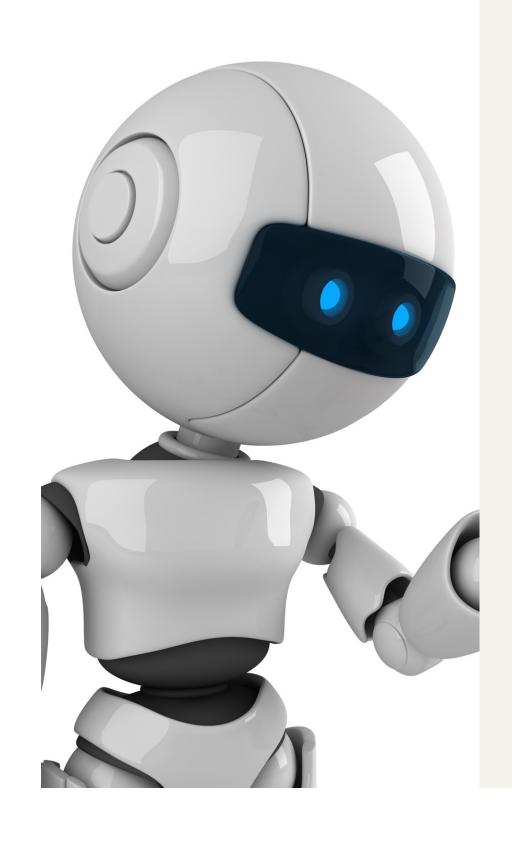

Abstract Submission: March 18, 2024

Full Submission: April 2, 2024

Author Notification: May 3, 2024

Registration: June 4, 2024

ICOSR 2024

2024 3rd International Conference on Service Robotics

Hangzhou, China   July 26-28, 2024

organized by: China Jiliang University
co-organized by: Zhejiang University
Zhiyuan Research Institute
supported by: Key Laboratory of Space
Utilization, Chinese Academy of Sciences

WELCOME TO ICOSR 2024

The 2024 3rd International Conference on Service Robotics (ICoSR 2024), organized by China Jiliang University, co-organized by Zhejiang University and Zhiyuan Research Institute, supported by Key Laboratory of Space Utilization, Chinese Academy of Sciences, will be held in Hangzhou, China, during July 26-28, 2024.

CALL FOR PAPER

ROBOTICS IN SPACE

- Asteroid Exploration
- Tele-Operation
- 3D-printed Lunar Habitat
- On Orbit Servicing
- Noncooperative Space Object Operations
- Robotics in Space Station (ISS and CSS)

SERVICE ROBOTICS AND APPLICATIONS

- Agriculture Robots
- Construction Robotics
- Security Robotics
- Environmental Robotics
- Entertainment Robotics
- Search and Rescue Robotics

ROBOTICS TECHNOLOGY DEVELOPMENT

- Autonomous Navigation
- Exoskeleton Robots
- Intelligent Cars
- Robot Simulations
- Robot Software Development
- Visual Servoing and Robot Vision

JCRAI 2024

JCRAI 2024

2024 4th International Joint Conference on Robotics and Artificial Intelligence

Organized by: Tongji University

Shanghai, China | August 9-11, 2024

WELCOME TO JCRAI 2024

We invite you to join the 2024 4th International Joint Conference on Robotics and Artificial Intelligence (JCRAI 2024), organized by Tongji University, which will take place in Shanghai, China during August 9-11, 2024. This conference is a forum for researchers, scientists, engineers and industry professionals to share the latest advances in the field of Robotics and Artificial Intelligence.

SUBMISSION

https://cmt3.research.microsoft.com/User/Login?ReturnUrl=%2FJCRAI2024

KEY DATES

Abstract Submission: April 9, 2024
Full Paper Submission: April 23, 2024
Author Notification: May 24, 2024
Registration: June 25, 2024

www.jcrai.org

CALL FOR PAPER

AMBIENT INTELLIGENCE

Ambient Assisted Living
Data Science
Intelligent Driving
Internet of Things
Smart Buildings and Cities
Smart Healthcare

SECURITY

Big data analytics for security
Biometrics
Computer Forensics
Intrusion Detection
Security Intelligence
Spam Detection

ROBOTICS

Assistive Robots
Autonomous Robots
Creative and Entertaining Robots
Human-Robot Interaction
Mobile Robots

MACHINE LEARNING

Ant colony optimization
Bayesian networks
Decision Making
Natural language processing
Supervised/Unsupervised Learning
